**II. How to Make a FOIA Request**

- A.** Our FOIA Reference Guide, located on the NLRB's FOIA Home Page at [www.nrlrb.gov/foia/reference.html](http://www.nrlrb.gov/foia/reference.html), details the different methods of making a FOIA Request to the NLRB
- B.** The NLRB's median response time for responding to FOIA requests was 16 working days. For appeals, the median processing time was 15 working days.
- C.** Like all federal agencies, the NLRB is required under FOIA to provide records upon receiving a written request for them, except for those records that are protected from disclosure by the nine exemptions and three exclusions of the FOIA. The most common reasons why some requests are not granted by the NLRB are because requesters seek information protected by the following FOIA Exemptions:
- **Exemptions (b)(6) and (b)(7)(C):** protect information concerning other individuals that, if released, would constitute an invasion of their personal privacy.
  - **Exemption (b)(5):** protects certain inter – and intra-agency memoranda, including those setting forth internal recommendations from staff and those that contain attorney work product.

- **Exemptions (b)(7)(A) and (b)(7)(D):** protect certain records in law-enforcement investigatory files, including records whose release would interfere with an ongoing proceeding and records that would reveal confidential sources or enable someone to avoid complying with the law.

### **III. Definitions of Terms and Acronyms Used in this Report**

#### **A. Agency- specific acronyms and other terms**

1. NLRB -- National Labor Relations Board
2. FOIA -- Freedom of Information Act (5 U.S.C. § 552)
3. FY -- Fiscal Year
4. P.A. -- Privacy Act (5 U.S.C. § 552a)

#### **B. Basic terms, expressed in common terminology**

1. FOIA/PA Request -- Freedom of Information Act/Privacy Act request. A FOIA request is generally a request for access to records concerning a third party, an organization, or a particular topic of interest. A Privacy Act request is a request for records concerning oneself; such requests are also treated as FOIA requests. (All requests for access to records, regardless of which law is cited by the requester, are included in this report.)
2. Initial Request -- a request to the NLRB for access to records under the FOIA.
3. Appeal -- a request to the NLRB asking that it review at a higher administrative level a full denial or partial denial of a FOIA request, or any other FOIA determination such as a matter pertaining to fees.
4. Processed Request or Appeal -- a request or appeal for which the NLRB has taken a final action on the request or the appeal in all respects.
5. Multi-track Processing -- a system in which simple requests requiring minimal action are placed in one processing track and more voluminous and complex requests are placed in one or more other tracks. Requests in each track are processed on a first-in/first-out basis. Note: The NLRB does not have multi-track processing as it generally responds to requests on a timely basis and does not have any significant FOIA backlog. A requester who has an urgent need for records may request expedited processing (see **III.B.6.** directly below).

6. Expedited Processing --The NLRB will process a FOIA request on an expedited basis when a requester has shown exceptional need or urgency for the records that warrants prioritization of his or her request over other requests that were made earlier.
7. Simple Request -- a FOIA request that an agency using multi-track processing places in its fastest (nonexpedited) track based on the volume and/or simplicity of records requested. As noted above, the NLRB does not have multi-track processing.
8. Complex Request -- a FOIA request that any agency using multi-track processing places in a slower track based on the volume and/or complexity of records requested. As noted above, the NLRB does not have multi-track processing.
9. Grant -- a NLRB decision to disclose all records in full in response to a FOIA request.
10. Partial Grant -- a NLRB decision to disclose a record in part in response to a FOIA request, deleting information determined to be exempt under one or more of the FOIA's exemptions; or a decision to disclose some records in their entities, but to withhold others in whole or in part.
11. Denial -- a NLRB decision not to release any part of a record or records in response to a FOIA request because all the information in the requested records is determined by the NLRB to be exempt under one or more of the FOIA's exemptions, or for some procedural reason (such as because no record is located in response to a FOIA request).
12. Time Limits -- the time period in the FOIA for an agency to respond to a FOIA request, ordinarily 20 "working days" from proper receipt of a "perfected" FOIA request (see **III.B.13.** & 17. below).  
Note: The NLRB response times in **Part VII** below are, in accordance with the Justice Department Guidelines, given in calendar days; the overall working day equivalent can be approximately calculated by multiplying the calendar day total by .7 (e.g. 10 calendar days equates to about 7 working days).
13. "Perfected" Request -- a FOIA request for records that adequately describes the records sought, that has been received by the NLRB component in possession of the records, and for which there is no remaining question about the payment of applicable fees.
14. Exemption 3 Statute -- a separate federal statute prohibiting the disclosure of certain type of information and authorizing its withholding under FOIA subsection (b)(3).
15. Median Number -- the middle, not average, number. For example, of 3, 7, and 14, the median number is 7.
16. Average Number -- the number obtained by dividing the sum of a group of numbers by the quantity of numbers in the group. For

example, of 3, 7, and 14, the average number is 8.

17. Working Days -- days except Saturdays, Sundays, and legal public holidays. As noted, the NLRB's response times in **Part VII** below are given in median calendar days (the number of "working days" being about a third less).
